

**Totality Named one of *Collection Advisor* Magazine's
Top 50 Collection Technology Products for 2008**

San Diego, CA. – Totality Software, Inc. announced that it has been named a recipient of the '2008 Top 50 Technology Products' Award by *Collection Advisor* - America's premier publication for collection technology. This award was presented to the company at the Tech '08 conference held recently in Orlando, FL.

"We are honored to receive this award for the third consecutive year and to continue to be recognized as a technology leader by *Collection Advisor*," said Evan Zucker, President of Totality Software. "These awards are selected based on product reviews and reader feedback, there is no more important critic than our users. We appreciate the confidence they have in Totality."
